

Changes of Dressings

Dressings can be changed at either of our Shorecare Clinics (Smales Farm or Northcross) or at your GP.

- Shorecare Smales Farm is open 24 hours/day every day of the year
- Shorecare Northcross is open 8am-8pm every day of the year including public holidays

If you return for a change of dressing, we will endeavour to do these as soon as possible after you have been seen by the nurse or doctor.

Please be aware we are an Urgent Care clinic so at times dressings may be delayed while staff are dealing with new and acute patients.
